MEMORANDUM FOR: Acting Deputy Director for Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: Soviet/Cuban Propaganda

I have discussed with Bob the analysis of Soviet and Cuban related propaganda, disinformation and semantics as a subject of foreign intelligence. A project has been under way for some time which I believe focuses primarily on the Soviet propaganda apparatus. I sent a memo recently on suggested work on semantics and other propaganda techniques. I understand that [redacted] has produced some time in the recent past a paper for DDI on the subject of Soviet propaganda and support in Third World insurgencies. I'd be interested in seeing this and any other ongoing work in this area.
